Australian Shepherd.

1. Allan & Hallmarsdottir. Allmark La La Land. 10 month old tri bitch. I really liked this young girl, I am sure she has an exciting future ahead of her. Head of correct proportions, excellent eye shape and ear placement, giving her an alert and attentive expression, good length of neck onto well set shoulders, excellent bone throughout, nice tight feet, correct angulation front and rear, firm top line which she held on the move, powerful driving movement, sound in all directions, in excellent coat and condition, lovely balanced outline. Best puppy & B.O.B. I was delighted to see her go on to win the pastoral puppy group, and reserve best puppy in show. Thank you for entering her under me.
