

## **North Devon Agricultural show. Open dog show. 7/8/2019.**

### **Pastoral Group.**

Thank you to the friendly and helpful committee for inviting me to judge at this well organised and friendly show. The rain held off for the most part, and I thoroughly enjoyed going over some truly lovely dogs. Thanks also to my steward Jean Tye for keeping everything in order.

### **BEARDED COLLIE**

This boy impressed me with his enthusiasm, his typical Beardy attitude and his lean athletic build, nice masculine head, and good reach of neck, well laid-back shoulders and balanced outline. moved soundly, holding a firm top line once he settled, would benefit from some ring training, but a very promising youngster.
